A BRIEF HISTORY OF EGERTON UNIVERSITY

Egerton University started as an Agricultural School in 1939, when it admitted the first three students in makeshift premises.

Today, it is an acknowledged degree awarding institution with a reputation as a Centre of Excellence in Agriculture. It also offers various courses in Education, Natural and Applied Sciences, Arts and Social Sciences.

The first three students of the institution were ex-world war II British servicemen who required basic training in agriculture prior to settling in Kenya Highlands. The mode of instructions at Egerton Agricultural College remained informal until the mid-1940's when a formal nine-month certificate course was introduced. The School was subsequently elevated to an Agricultural College. A Diploma programme was initiated in 1949 and in 1955, the Government handed the management of the College to a Board of Governors through an Act of Parliament.

In 1986, the College was elevated to a Constituent College of the University of Nairobi and in 1987 it was granted University status by an Act of Parliament.

The University has four campuses. The Main Campus (Njoro Campus), is located 180 kilometres north west of Nairobi and 30 kilometres from Nakuru on a 1445-hectare piece of land donated by the Lord Maurice Egerton of Tatton (1874-1958), (320 ha in 1939 and 1,125 ha in 1958). Situated at an altitude of approximately 2,250 metres, with an excellent climate, and in an ideal locality. This Campus provides a conducive academic atmosphere.

The second campus (Laikipia College Campus) is located near Nyahururu town some 45 kilometres from Nakuru, on a 365-hectare piece of land formerly occupied by Laikipia Teachers College. This College, inter-alia, offers Bachelors degree in Education (Arts). The third campus (Kisii College Campus) is situated in Kisii town on a 24-hectare piece of land formerly occupied by Kisii Teachers College. The Bachelor of Business and Management (BBM) is offered in this Campus, in the Faculty of Commerce.

Since its inauguration, Egerton University has continued to expand. Currently, the University has the following programmes: Twenty eight (28) undergraduate degree, six (6) diploma, twenty seven (27), one (1) Post graduate diploma in Education and 13 doctorate. It has 42 departments in seven faculties with over 8000 students pursuing various diploma, undergraduate and post-graduate degree programmes.

To cater for emerging demands for education in various sectors of our economy, the University has established the Faculty of Commerce and the Faculty of Health Sciences. The Faculty of Commerce is situated at the

Nakuru Town Campus, which became operational in August 2001. The Bachelor of Commerce (B.Com) and the Master of Business Administration (MBA) programmes are offered in this facility.

The Faculty of Health Sciences will offer Diploma, undergraduate and postgraduate programmes in various health professions.

The Association also made tangible recommendations on the future administration structure of Egerton College in its new role as a University. Besides that the Association featured prominently in the review of the terms for service for staff.
