A BRIEF HISTORY OF EGERTON UNIVERSITY

Egerton University started as an Agricultural school in 1939, when it admitted the first three students in makeshift premises.

Since then, it has become an acknowledged degree awarding institution with a reputation as a Centre of Excellence in Agricultural Training. It also offers various courses in Education, Natural and Applied Sciences, Health, Arts and Social Sciences.

The first three students of the institution were ex-world war II British servicemen who required basic training in agriculture prior to settling in the Kenya Highlands. The mode of instructions at Egerton Agricultural College remained informal until the mid-1940's when a formal nine-month certificate course was introduced. The school was subsequently elevated to an Agricultural college. A diploma programme was initiated in 1949 and in 1955, the Government handed the management of the college to a Board of Governors through an Act of Parliament.

In 1986, the college was elevated to a constituent college of the University of Nairobi and in 1987 it was granted University status by an Act of Parliament.

The university has three campuses namely: Nairobi City Campus, Baringo Campus and Kenyatta campus and Nakuru Town Campus College. The Main Campus (Njoro Campus), is

located 180 kilometers North West of Nairobi and about 30 kilometers from Nakuru on a 144 – hectare piece of land donated by Lord Maurice Egerton of Tatton (1874 – 1958). This Campus is situated at an altitude of approximately 2,250 metres, with excellent climate, ideal for serious academic pursuit.

The campus college is located in Nakuru Town and offers self-sponsored degree programmes in Business, Engineering and Arts. The University Medical School is also situated in Nakuru town. It offers training at undergraduate level in Medicine, Clinical Studies and Nursing.

Kenyatta Campus is being developed into a center for Open and Distance Learning and is situated 5 km. from Njoro campus.

Since its inauguration Egerton University has continued to expand. It has 51 departments in ten faculties with 3,181 staff members (academic, administrative and support) and about 16,000 students pursuing various undergraduate, diploma, and postgraduate degree programmes.

The University has a vibrant Research and Extension division which enhances an interface between training, research and the wider community.

After this 36th graduation ceremony, the university shall have conferred degrees and awarded diplomas to a total of **64,756** graduates.

THE KENYA NATIONAL ANTHEM

- 1) O, God of all creation
Bless this our land and nation
Justice be our shield and defender,
May we dwell in unity
Peace and liberty
Plenty be found within our borders.

- 2) Let one and all arise
With hearts both strong and true,
Service be our earnest endeavour,
And our Homeland of Kenya
Heritage of splendor
Firm may we stand to defend.

- 3) Let all with one accord
In common bond united
Build this our nation together
And our glory of Kenya
The fruit of our labour
Fill every heart with thanksgiving.
